Description

English 1920's Solid Oak Open Bookcases We have four of these very good quality, solid English oak stacking open bookcases available. A more unusual model as they are open, not glazed, by Minty of Oxford in the early twenties, they were also retailed by Heals of London. Each open bookcase has five stacking sections, finished on both sides, so can stand alone, as we have four available, they could be used as a wall of bookcases when all put together. All four are in excellent, clean condition and are a lovely colour. The lowest base section is 29cm deep, the other sections are 23cm deep. Priced individually. Dimensions Height: 164cm (65.08") Width: 89cm (35.32") Depth: 29cm (11.51")
