Description

This bench is in good condition. We have professionally restored it and painted it in a lovely grey paint and rubbed over the edges giving it a stunning patina. This bench would look well in an old or modern property in any room for seating purposes. It would look great in a hallway etc or to the one side of a large table. It could comfortably seat 3 to 4 people. The bench stands on lovely plain upright legs supporting the main section and beautifully shaped to the top. There are panelled sides. The back rest is also panelled with three turned columns to the middle and small pretty section above the columns. There is a lift up lid with plenty of storage space beneath. You could have a cushion pad made in an upholstery of your choice. The height is 95cm, the seat height is 47cm, the width is 200cm and the depth is 55cm.
