Description

Antique Walnut Writing Desk with Tooled Leather Top – Early 20th Century Antique walnut writing desk, crafted in the early 20th century in a style influenced by Queen Anne design. This desk combines classic elegance with practical functionality, making it a timeless addition to any study, office, or living area. The desk features a rich burr walnut veneer with a warm patina that highlights its natural grain and depth. The green tooled leather writing surface adds a touch of luxury and provides a smooth, practical area for writing or laptop use. Designed with both style and utility in mind, the desk offers three drawers—two smaller side drawers and a larger central drawer—all adorned with original brass drop handles. The serpentine front and shaped apron are complemented by elegant cabriole legs with shell carvings on the knees and traditional pad feet. A stunning blend of craftsmanship and functionality, this desk is ideal for both period and contemporary interiors. Dimensions (Approx.): Height: 78cm Width: 94cm Depth: 54cm Condition: Excellent condition. Drawers open smoothly; structure is solid.
