Description

Pair of Edwardian walnut desk chairs This lovely pair of Edwardian walnut desk chairs were made circa 1900. The walnut frames with fine red leather backs and drop in seats. The chairs with open arms that sweep down from the back and joined by the upper armrest that are set back to allow you to get closer to the desk if required. They have the lovely turned solid walnut legs to the front and swept legs to the rear. Imagine this pair of chairs each side of a partners desk or set in a room to use. "There is scarcely anything in the world that some man cannot make a little worse and sell a little more cheaply. The person who buys on price alone is this man's lawful prey." ?
