Description

This chest is in good condition. We have professionally stripped and restored it ready to wax or paint. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. The chest would look well in an old or modern property amongst similar antique pine furniture in a large bedroom for a lady to apply make up etc with a large decorative mirror placed above it on the wall. The secretaire stands on splayed back legs and round turned front bun feet supporting the main section. There are three large drawers to the bottom with each drawer having metal drop handles and key escutcheons, dovetail joints and are pine lined. The top drawer is actually a fold down pull out section where one can store make up supplies etc. This was obviously used as a secretaire in victorian times and still could be used for this purpose. The top has a curved drawer with carvings upon it. The top is in good condition with a bull nosed edge. There are turned columns to the sides. There is a key that opens the flap and behind the door there are many jewellery drawers etc. This is a cracking item of furniture. Please buy with confidence. The height is 1...
