## Description

A fine and impressive pair of antique 8.20 carat coral, 0.13 carat diamond, 18 carat yellow gold and platinum set earrings; part of our diverse antique coral jewellery collection. These fine and impressive antique coral earrings have been crafted in 18ct yellow gold with platinum settings. Each of the antique earrings is ornamented with a feature coral bead, totalling 8.20cts. The corals are surmounted with a millegrain decorated platinum collet set diamond, totalling 0.13ct. The impressive antique earrings, for pierced ears, secure to the reverse with a post and butterfly fastening. These antique coral earrings have been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 18 carat gold and platinum. These impressive earrings are supplied with an IDGL diamond and gemstone grading report card. These antique coral earrings are a distinctive gift for 35th (coral) anniversaries and birthdays. Their vivid hue and fine craftsmanship make them ideal for collectors and admirers of antique jewellery. Images do not always reflect the true colour and brilliance of gemstones and diamonds. The video however provides a truer representation...
