Description

c. 1850 Wonderful Dutch Delft Faience Polychrome Toby Jug - Pseudo mark APK Brief Description: This is a wonderful 18th-century-style Dutch Delft Polychrome Toby Jug modelled in the form of a seated Georgian Gentleman, who is wearing a wide-brimmed hat and a vibrant floral patterned jacket. He is also holding a ceramic ale jug between his hands. The beautifully presented piece is hand-painted in shades of yellows, greens, blues and browns. The underside is marked APK, suggesting it comes from the factory of: A (Grieksche A) Pieter Kocx, (owner), Dutch, 1701-1722. However, this is a 19th-century piece, probably modelled and made in Northern France during the 1850s (which was common at that time). Attributes: Dutch/Northern France 18th Century style Pseudo mark to the base APK Circa 1850-1860 Condition: The piece is offered in an overall beautiful original condition, other than the normal, very small amounts of glaze chips, mainly to some of the leading edges - see images.
