Description

A fantastic pair of antique Edwardian mahogany corner chairs. They were made in England, they date from the 1900-1910 period. They are of superb quality, with a fairly simple yet beautiful design. The solid mahogany frames have a wonderful shape, they sit on tapered legs with nicely curved back rests and upholstered seats. We have had the frames re-polished, and the seats have been re-upholstered in a cream fabric. The condition is excellent throughout.
