Description

A smart and very well made antique Edwardian inlaid mahogany card table. This was made in England, it dates from around the 1900-1910 period. The quality is superb and this is a lovely, petite size. It stands on tapered legs with a useful lower tier, the mahogany has inlaid satin wood borders around all edges. The top swivels round and opens up to reveal a tooled leather playing surface, there is also some storage space inside the top. We have had this re-polished, it is in excellent condition for its age. Width – 22 inches , 56 cm Depth – 11 inches , 28 cm Height – 25 inches , 64 cm
