Description

This wardrobe is in good condition. We have professionally stripped and restored it and then painted it in a lovely light grey paint and then rubbed over the edges giving it a stunning appearance. Please be aware this wardrobe is in one piece so if it is to go up stairs please bear this in mind. I will require a hand off the van with it into your hallway as it is very heavy. The wardrobe would look well in an old or modern property amongst similar antique pine furniture for storage. It would also look great in an entrance hall or as a child's wardrobe. The wardrobe stands on splayed feet supporting the main section. There are two large doors. The doors have three panels. The panels are fielded which is a nice feature and stand on original georgian pin hinges. Behind the doors there are shelves to the left side and a hanging rail to the right side for storage. There is a key that locks the doors. The top has a standard graduated cornice. The height is 186cm, the width is 136cm and the depth is 60cm. The internal depth is 50cm.
