Description

This table is in good condition. We have professionally stripped and restored it and painted it in a lovely grey paint and then rubbed over the edges giving it a stunning patina. This table would look well in an old or modern property in any room for any purpose. It would look great in a small to medium sized kitchen amongst similar antique pine furniture. The table can comfortably seat between 2 and 4 people. This table stands on beautifully shaped legs supporting the main section. There is a stretcher between. The top is in good condition and there are two leaves that extend the table. This is a cracking table. The height is 77cm, the width is 100cm and the depth is 69cm. The width with the leaves in use is 140cm.
