Description

Indoor Heals Antique Oak Dining Table & Chairs Set A super quality set of solid oak dining table and four chairs by Heals of London around 1920. Very much like the Heals teak outdoor dining sets, but this is an indoor version in lovely oak. In superb condition, all four oak dining chairs have very comfortable original leather upholstered drop in seats. Just a couple of water marks on one. It has been quite a few years since we had this model of an indoor Heals oak antique dining set into stock and this is a lovely example. Perfect for smaller homes, as it forms a neat cube when not in use. Dimensions Height: 75cm (29.76") Width: 93cm (36.90") Depth: 93cm (36.90")
