## Description

Very unusual and well made pair of 19th century carved mahogany benches in a vintage geometric green upholstery, which can be changed if you would rather. Circa 1880 and both in good condition. The frames are very well carved and show hints of earlier Regency and William IV periods, but they are definitely circa 1880. Great to have found them still as a pair! Priced as a pair and if you would like to discuss reupholstery, please do get in touch. Measuring: 39 inches or 99 cm high 72 1/2 inches or 184 cm long 21 inches or 53.5 cm deep. 19 inches or 48 cm seat height
