Description

A great little plein air oil sketch of a horse and cart. The work is skilfully done, quickly observing the horse and cart with rider as they traverse the harvest time field collecting wheat sheaves. The painting is a great little study on wooden panel. There is an attribution to an artist on the reverse of W.Poole dated around 1895 and gives the name of the horse as Old Ross. The work is mounted in a modern frame and the whole is ready to hang. Overall sizes in inches including frame: 10 $\frac{3}{4}$ by 6 $\frac{3}{4}$
