## Description

This wardrobe is in good condition. We have professionally stripped and restored it and then painted it in a lovely white paint and then rubbed over the edges giving it a stunning appearance. Please be aware this wardrobe is in one piece so if it is to go up stairs please bear this in mind. I will require a hand off the van with it into your hallway as it is very heavy. The wardrobe would look well in an old or modern property amongst similar antique pine furniture for storage. It would also look great in an entrance hall or as a child's wardrobe. The wardrobe stands on square back legs and round turned front bun feet supporting the main section. There is one large drawer to the bottom with metal cup handles. There are two large doors that stand on original georgian pin hinges. The doors have one panel with angled corners. Behind the doors there is a pole and has original hooks to the top which is a nice feature. There is a key that locks the doors. The top has a standard graduated cornice. The height is 183cm, the width is 135cm and the depth is 52cm. The internal depth is 42cm.
