Description

This cabinet is in good condition. We have professionally stripped and restored it ready to wax or paint. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. The cabinet would look well in an old or modern property amongst similar antique pine furniture for storage. This would look great in a bathroom or kitchen on the wall. The cabinet has beautifully shaped sides especially to the bottom where it is beautifully grooved. There is a small shelf to the bottom. There are five spice drawers and two glazed doors either side of an open section. There are cup hooks to the bottom. There are a couple missing so you might like to replace all of them. It was a little tricky to take photos without it being on the wall. The height is 100cm, the width is 89cm and the depth is 18cm.
