Description

This is a pretty pair of French Kingwood inlaid bedside cabinets in really good order dating from the early 20th century circa 1920. The pair have three useful drawers to the cabinet with attractive inlaid detail and their original cast ormolu handles and decorative mounts. The slender curved cabriole legs give these an attractive appearance and both have pretty, pale Jaune marble tops both in nice clean condition, one with old historic repair that's hardly noticeable and quite sound. These are a very practical pair in great condition ready for use. The cabinets measure 76 cms high 50 wide by 33 deep. UK delivery can be arranged with our local courier and costs £60 plus vat to most areas.
