c. 1820 Large Superb Renaissance Portrait Painting Gouache & Pastel Early 19thC Brief Description: This is a substantial and impressive original early 19th-century portrait painting depicting three female figures and a young boy from the 17th century period. This marvellous painting was probably purchased in Europe during the Grand Tour period. It is mounted within the original substantial-sized giltwood and gesso moulded frame. The artwork is protected behind the original 19th-century glass panel. It is beautifully painted with a wonderful old-master Italian-type feel. Attributes: Pastel & Gouache Circa: 1820-1830 Continental Condition: Both the painting and the frame are offered in an overall superb original condition. There are 1 or 2 very tiny splits in the canvas, but one must look extremely hard to spot them.
