Description

A good example of a small antique solid silver twin handled sugar bowl. It is stylish and good quality with a gadrooned pattern around the bottom half and a gilt interior. It weighs approximately 125g. It is clearly hallmarked for Sheffield, 1896 and the makers Atkin Brothers. It is in good condition for its age and displays well. There are some faint surface marks, a couple of small dinks and signs of age and use but nothing detrimental. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £6 Rest of the World £25
