Description

This dresser is in good condition. We have professionally stripped and restored it ready for you to either paint or wax. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. The dresser would look well in an old or modern property amongst similar antique pine furniture for storage. This would look great in an unfitted kitchen. The dresser is in two pieces making it easy to move into a property. The dresser stands on square back legs and round turned front bun feet supporting the main section. There are two large doors. Each door has one panel and a moulding around the edge. There is a key to lock the doors. Behind the doors there is a shelf for storage. Above there are two large drawers with round turned wooden knobs. They are pine lined and have dovetail joints. The top sits neatly upon the base and is slightly set back having eleven spice drawers and an open section. There are two large glazed doors above. There is a key that locks the doors and a shelf behind for storage. The top has a standard graduated cornice. The height is 198cm, the width is 134cm and the depth is 54cm.
