Description

UK POSTAGE ONLY FOR THIS ITEM Gents 9ct gold Smiths Imperial wrist watch, 1960. The watch has a hand-winding movement which is working nicely. The watch itself measures 32.5mm diameter excluding the winding crown and the lugs. The case is 9 carat gold and there are hallmarks inside the case back for London 1960, with a maker's mark for Smiths Clocks and Watches. The back of the watch has a long service inscription from when the watch was presented in 1961. The lens is in good condition (white reflection showing in the photos). The signed dial has a little marking but is very acceptable. Original dauphine shaped hands, centre seconds hand with pointer end and inner minute markers. A new leather strap has been fitted. The watch will be sent in a new presentation box.
