Description

This cupboard is in good condition. We have professionally restored it and then painted it in a lovely black paint and then rubbed over the edges giving it a stunning appearance. The cupboard would look well in an old or modern property amongst similar painted antique pine furniture for storage. The cupboard stands on round turned legs supporting the main section. There are two tall doors. The doors have one panel. There is a key that locks the doors. Behind the doors there is a shelf for storage. The top is in good condition. The height is 97cm, the width is 102cm and the depth is 42cm.
