Description

This box is in good condition. We have professionally stripped and restored it and waxed it in a lovely antique brown bri wax. This box would look well in an old or modern property in any room for any type of storage purpose amongst similar antique pine furniture. It would look great in a bedroom or in a living room with a large TV placed on top. This box stands on victorian bracket feet supporting the main section. There are two large drawers. The drawers have round turned wooden knobs, dovetail joints and are pine lined. The corners are connected with dovetail joints and the ends have their original metal carry handles. The top itself is in good condition and has a bull nosed edge. There is plenty of storage space beneath and the lid is on original victorian pin hinges. The height is 77cm, the width is 103cm and the depth is 56cm.
