Description

A very nice quality English Edwardian antique solid sterling silver brandy pan burner. It is hallmarked for London 1905 with the maker being Charles & George Asprey. It has been superbly designed and is in super condition being free from dings splits and repairs. It would have had a pan which sat on the top but these can be found. It measures approx. 2.5 inches (6.6cm) across by 2.25 inches (5.8cm) tall and weighs 58 grams. A very well made piece.
