Date of manufacture: 19th Century

Description

Antique Minature Campaign Apothecary Box With All Original Bottles Liverpool. This absolutely stunning campaign apothecary box is in fantastic condition with a beautiful rich colour and grain to the wood. The bottom drawer then has a fantastic brass campaign handle as well as a brass shield escutcheon around the key hole. The box also has its original lock and key as well as the original brass bar to lock the bottom drawer. The box then comes complete with all 8 original glass bottles and stoppers to the top compartment. Each bottle then has a label many of which include Liverpool retailers as well as London wholesalers listed. There are then four original bottles and stoppers with their labels in the bottom drawer as well as the original glass measuring cup. Truly one of the most original and complete apothecary boxes I have ever seen with some bottles even having there original leather seals. An absolutely fantastic example of the upmost quality. It measures approximately: - 6" / 15.25cm Tall. - 5.75" / 14.5cm Wide. - 4" / 10cm Deep.
