Description

Limited Edition Solid Silver Dunhill Rollagas Lighter 100/400 1993. This beautiful Dunhill lighter has a solid silver "Ingot" style case which is fully hallmarked. The hallmarks consist of a lion to show that it is solid English sterling silver, a lions head to show that it was made and assayed in London, the makers mark "AD" to show that it was made by Alfred Dunhill & Sons, and the date letter "T" to show that it was made in 1993. The lighter is an extremely rare and limited edition example. It is number 100 of only 400 that were made. The lighter also comes in its original box. The lighter is in full working order and sparks, holds gas, lights, and regulates exactly as it should.
