Antique Norfolk Longcase Clock

Price

Sold**Item Reference: SA114919****Date of manufacture: 1800**

Description

A Norfolk Georgian oak longcase clock with a regional styled 'wavy' hood pediment. A well proportioned oak case with brass capped hood columns. A pretty painted dial with floral corners, date and seconds indicators. Swans on a lake to the arch. An 8-day duration mechanism striking the hours on a bell. John Wenham of East Dereham is well recorded in Birds' 'Norfolk and Norwich Clockmakers' book. He lived from 1734-1823. Height 7ft 1 "/ 215 cms
