Description

A beautiful and quite unusual antique French circular dining table in rosewood. This dates from around the 1850-1870 period. It is of outstanding quality and has a beautiful design. It sits on three beautifully carved solid rosewood legs, meaning that it can seat six people, as long as the chairs are relatively slim at the front. The rosewood grain patterns and colour tones are gorgeous throughout. We have recently had this re-polished, the condition is excellent for its age. There are just various very small marks here and there remaining beneath the polish, commensurate for age. Width - 48 inches , 122 cm Depth - 48 inches , 122 cm Height - 30 inches , 76 cm
