Depth = 66 cm (26.0")

Description

A beautiful and elegant antique burr walnut occasional side table. This was made in England, it dates from around the 1900-1910 period. It is of very fine quality, with nicely moulded serpentine edges around the top. This stands on slender cabriole legs with acanthus leaf carving at the knees, there are gorgeous burr walnut grain patterns on the top and around the edges. We have had this recently re-polished, the condition is excellent for its age. Width - 26 inches , 66 cm Depth - 26 inches , 66 cm Height - 29 inches , 74 cm

Internal Ref: 10630
