Description

A beautiful antique mahogany serpentine cabinet on legs in the Georgian style. This was made in England, it dates from around the 1900-1910 period. It is of superb quality and has a very smart design. There is a panelled central door flanked by two dummy doors with beautiful flame mahogany grain patterns. This sits on tapered legs terminating in spade feet. The top is cross banded, there are also three drawers in the top with beautifully turned handles and fine, hand cut dovetailed joints. The colour tones and mahogany grain patterns are stunning throughout. We have had this recently re-polished, the condition is excellent for its age, with just some extremely minor wear remaining beneath the polish here and there. Width – 36 inches , 92 cm Depth – 19 inches , 49 cm Height – 33 inches , 84 cm
