Description

A stunning pair of antique French inlaid marquetry marble top bedside chests. They were made in France and date from around the 1900-1920 period. The quality is fantastic, they have an elegant yet sturdy design. The wood is predominantly king wood, with inlaid marquetry of various other woods. There are high quality ormolu mounts and handles, each has a loose serpentine fronted marble top with gorgeous colouring. We have had these recently re-polished to a very high standard, the condition is excellent. One of the marble tops has had a small repair on one back corner, this is very well executed and barely noticeable, it doesn't affect the strength or usability at all. Width – 19 inches , 48 cm Depth – 12 inches , 31 cm Height – 29 inches , 74 cm
