Item Reference: SA1149334

Date of manufacture: 18th Century

Dimensions

Height = 73 cm (28.7")

Depth = 123 cm (48.4")

Description

An 18th-century solid mahogany drop-leaf dining table with a rectangular fixed centre and two hinged leaves. The plain frieze and square legs reflect its understated Georgian-era design. Six legs in total, including two gate legs that swing out to support the leaves when extended. The deep patina and pegged joints are consistent with 18th-century construction. A practical dining table that folds down compactly when not in use.

Internal Ref: 47269
