Description

This exquisite Victorian rosewood wall bracket/shelf is a beautifully decorative piece, preserved in untouched condition. Featuring a two-tier design, it has a panelled back and a gracefully shaped top shelf, supported by reeded columns with finely carved capitals. While the top bears some historical marks, including a small crack and a sliver missing, these subtle imperfections do not detract from its charm and will go unnoticed once mounted and showcasing your treasures. Elegant arches with scalloped edges connect the intricately carved capitals, sitting above two smaller shelves, adding to its refined presence. With its rich rosewood tones and timeless character, this striking bracket/shelf will enhance any interior with Victorian elegance.
