

SA1149380

19th Century pair of ladies wooden boots.

Price

Sold

Item Reference: SA1149380

Date of manufacture: 19th Century

Description

These are the most delightful pair of 19th century ladies wooden boots. These were I think made as love tokens. Shoes have been considered lucky. Each one has very small nails/pins running up the front of them with have been laced with thread. The sides of the boots have been given a special finish and each one has a lovely heel. Great condition. H 6 cm L 9.5 cm W 2 cm
