Early 19th Century French Dragee box

Price

Sold**Item Reference: SA1149504****Date of manufacture: 19th Century**

Description

This is probably the best one of these boxes I have come across. The original sweet contents long since gone, but it is full of small shells with labels. These may have been brought back from The Grand Tour as souvenirs. Not sure if the labels are with the correct shells. The condition of the box is excellent commensurate with age and use. Diameter 11.3 cm D 2 cm
