Description

This lovely pair of Royal Vienna porcelain vases, date to the late late 19thC, they are beautifully painted with rural scenes and flowers. The gilding is bright and the royal blue ground rich in colour, they have the beehive mark to the underside and are in very good condition, no chips or cracks. One of the bases is a little loose and we have not tightened the bolt to protect the porcelain, however it is totally stable and should not pose any issues.
