Description

A superb pair of late 19thC French ormolu (gilt bronze) curtain tie backs c1880. This substantial size pair can be hung from wall hooks from the bars at the back of the wall plates. The quality is denoted by each bar being stamped with the makers initials GH and serial number 2357, which match, proving that these are a true pair. Both wall plates and curtain plate feature classical decorative designs. The curtain plates are especially sumptuous with a cabochon encircled by laurel, roses and ribbon garland. The gilded finish adds luxury and will catch the light, adding a touch of sparkle to the interior.
