Description

Victorian Mahogany Washstand This Victorian mahogany washstand is a refined and characterful piece, showcasing the timeless beauty of 19th-century design. While the drawers are decorative (false fronts), the matching traditional handles maintain the authentic look and symmetry typical of the era. The mahogany tabletop shows some signs of gentle wear, with a small area of discolouration along the front centre and a minor mark to the top right near the back—subtle signs of age that add to its antique appeal. Set on smooth-rolling castors, the piece is highly mobile and practical, perfect for use as a side table, console, or decorative accent. o **Material:** Solid mahogany o **Features:** Decorative false drawers with matching handles o **Top Condition:** Light discolouration and minor mark consistent with age o **Mobility:** Rolls well on original castors o **Style:** Victorian **Dimensions -** W123 D60.5 H80 **Tabletop H74** **BRN590 4000 081123** Price includes delivery to main land UK with the exception of the Highlands.
