Description

A stunning, fine and impressive pair of antique 1.30 carat untreated Basaltic sapphire and 2.10 carat diamond, 18 carat white gold and platinum set cluster earrings; part of our diverse gemstone jewellery collections. These stunning, fine and impressive sapphire earrings have been crafted in 18ct white gold with a platinum setting. The pierced decorated, cluster style earrings are each ornamented with a feature cushion cut Basaltic sapphire, collet set in slight relief to the centre of the design. The sapphires are each encircled by eight Old European round cut diamonds, totalling 2.10cts. The antique earrings, for pierced ears, secure to the reverse with a post and butterfly style fastening. These sapphire and diamond cluster earrings have been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 18 carat gold and platinum. These impressive antique cluster earrings are supplied with an IDGL diamond and gemstone grading report card, in addition to a sapphire report card and certificate supplied by the Gemmological Certification Services, London*. Such period examples in this very high diamond grade and set with untreated sapph...
