Height = 43.2 cm (17.0")

Width = 38.6 cm (15.2")

Depth = 7.6 cm (3.0")

Description

I really love this hard to find candlebox that is made from finest fruitwood....it is made from pear or apple with an oak back and what is nice the maker has shaped the top of the box into a piece of fruit, resembling a pear or apple shape....it has a sliding front, which slides upwards to reveal a good depth of space to store your candles...in very nice condition with an excellent colour. English. C1800-20.

Internal Ref: MS 8321
