Description

Antique Victorian Silver-Plated Nautilus Shell Spoon Warmer – 19th Century Tableware Elegance A stunning fusion of natural inspiration and Victorian ingenuity, this Antique Silver-Plated Spoon Warmer is crafted in the whimsical form of a nautilus shell, showcasing the fascination with oceanic motifs that was so prevalent in the 19th century. Designed to keep serving spoons warm during formal dinners, this piece features rich sculptural detail, from the rippling spiral of the shell to the stylized rocky base it rests upon. The silver plate adds a luminous finish, while the hinged lid reveals a hollow interior for hot water—a clever and refined solution to a practical dining need of the era. A rare and collectible item, this warmer is as decorative as it is functional, perfect for display on a sideboard or within a curated collection of Victorian silver. Details: Period: Victorian, c. mid-to-late 19th century Material: Silver plate over base metal Design: Nautilus shell with hinged lid and decorative base Function: Spoon warmer / tableware accessory Condition: Excellent antique condition with light wear and patina appropriate to age. Dimensions: 14cm x 16cm approx ...
