Description

A good example of a small Sterling Silver pepper shaker modelled as a miniature flour sifter. It is a good quality piece and it weighs approximately 26g. It is clearly hallmarked for Joseph Rogers & Sons, Sheffield, 1901. It is in good condition for its age. There are some faint surface marks and a few minor dinks around the bottom edge but nothing detrimental and overall it displays well. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £6 Rest of the World £25
