Description

A stylish and extremely well made Art Deco sycamore chest of drawers by Hille. This was made in England, it dates from the 1920's. The quality is fantastic, this is a very useful and slim size with plenty of storage space in the many drawers. The handles are beautifully designed with a double helix motif, they all run smoothly and have fine, hand cut dovetailed joints. The sycamore colour tones and grain patterns are gorgeous, this has lovely walnut banding on the edges which gives a lovely contrast. We have had this stripped and re-polished to a very high standard, the condition is excellent throughout. We also have the matching dressing table and pair of bedside cabinets that came with this, seen listed under our other items for sale. Width – 50 cm , 20 inches Depth – 46 cm , 18 inches Height – 111 cm , 44 inches
