Description

A stylish and extremely well made pair of antique Swedish satin birch armchairs. They were recently imported from Sweden, they date from around the 1890-1910 period. The quality is outstanding, the satin birch frames have gorgeous curves and are very well constructed. The satin birch colours and grain patterns are gorgeous throughout. We have had the frames re-polished to a very high standard and they have been re-upholstered in a cream cotton fabric. The condition is excellent for their age.
