Description

A large and beautiful antique Victorian mahogany partners desk / writing table. This was made in England, it dates from around 1840-1860. It is of superb quality and is a great size, this is finished identically back and front, with three drawers on each side. The drawers have original turned mahogany handles with fine hand cut dovetailed joints. The solid mahogany legs are very thick and sturdy, sitting on original brass casters. The inset leather top has a gorgeous patina and it is gold tooled, this has plenty of work space. We have had this recently re-polished, the condition is excellent for its age.
