Description

Georgian Original Painted Pine English Antique Dresser Base. This is a fabulous English 18th century antique dresser base that is still in the lovely original Georgian paint finish. Provides lots of storage with three deep drawers to the centre which are flanked by two panelled cupboard doors, all have the original 18th century antique wooden knob handles. A very honest piece of original antique painted pine furniture that dates to around 1790, complete with the original pine shelves behind the cupboard doors and with a lovely scrubbed pine dresser top with cleated ends. Becoming much rarer to find, genuine English original painted pine antique furniture, this is a fabulous example, so useful too.
