Description

Set of 6 Antique Early 19th Century Elm Dining & Kitchen Chairs – High-Quality, Original, Rare A rare and highly sought-after set of six original early 19th-century elm chairs featuring an elegant, timeless design with clean, simple lines. These versatile chairs are suitable for both formal dining rooms and everyday kitchen use. Craftsmanship & Condition: These chairs are solid and sturdy, with no loose joints or signs of woodworm. They feature newly upholstered seats, professionally finished to a high standard. Recently restored, they represent fine quality antique seating ready for immediate use. Dimensions: Standard Chair: 48cm (W) x 49cm (D) x 89cm (H) | Seat height: 47cm when seated Carver Chair: 57cm (W) x 55cm (D) x 89cm (H) | Seat height: 47cm when seated | Arm height: 69cm Condition Report: Very good antique condition with expected character marks including historic knocks, scratches, cracks, repairs, and alterations consistent with age and use. Some old repairs, typical for functional antique furniture, have been professionally completed—ensuring these chairs are structurally sound and ready for use.
