## Description

Fine Georgian mahogany Gentlemen's wardrobe circa 1800. The wardrobe has two fine oval panelled doors with good figuring. The doors have a working lock and a single key. Inside has been freshly painted and has a single full width hanging rail, the top providing ample depth to accommodate modern hangers. Below are two small over two large drawers; these are oak lined with fine hand dovetailed joints, they are all clean and solid, and slide as they should. The whole standing on desirable splay feet. The wardrobe comes in two main sections plus the cornice for transport. The wardrobe remains in very good clean condition, there is evidence of a handle change in the past. It has a wonderful antique patina with a few character marks as should be expected for a 200+ year old item of furniture. We can arrange a two-man delivery service throughout the UK and ship worldwide, please enquire for our competitive delivery/shipping costs.
