Description

A good quality silver mounted conductor's baton in its original fitted case. The ebony baton has a silver tip, silver band and a large silver top engraved JHR. It is clearly hallmarked for Ebenezer Newman, London, 1913. It is in very good condition. There are some minor signs of age and use and a few faint surface marks but nothing detrimental. It comes in its original fitted case with a silk lined lid and velvet fitted base with supports to hold the baton in place. The interior is clean and tidy. There are some small scuffs and minor losses around the outside but nothing major and it displays well. Approximate Measurements : Length : 20" / 51cm Box : 22" / 56cm long x 2 1/4" / 6cm wide.
