Description

A good example of an antique solid sterling silver Cigarette Box with a wood lined interior. It is a good quality piece that has never been engraved. It is hallmarked for Hemming & Walton, Birmingham, 1919. It is in good condition for its age although it has picked up some small knocks, dinks and minor surface marks. There are a couple of small splits on one front corner and a bottom edge but no other major damages and it displays well. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £8
